### New registrations and Lifetime Tags

All animals over the age of three months must be registered with the local council.

Animals may be registered at an earlier age, assisting with lost puppies and kittens being identified and returned to their owners.

All animals registered with the council are issued with a lifetime number for the duration of registration.

All cats and dogs are required to wear a registration tag when not on the registered premises.

You must purchase a Pet Identification Tag when registering your animal for the first time. The tag will be engraved with the relevant details for your animal.

Replacement tags can be purchased if your tag is lost, or your details change.

### Fees and Registration renewals

Animal registrations are due by April 10 each year. This date is not set by Wodonga Council. It is the owner's responsibility to renew their animal registration each year under the *Domestic Animals Act 1994*. After the initial registration, an invoice will be sent to your mailing address and you can pay this online at [wodonga.vic.gov.au](http://wodonga.vic.gov.au)

To enable council to maintain current records, please advise any status changes such as address, transfer of ownership, or deceased animals.

Current fees are published on the council's website, please visit [wodonga.vic.gov.au](http://wodonga.vic.gov.au) or contact the community focus team on (02) 6022 9300. These include a State Government Levy under the *Domestic Animals Act 1994*.

Reduced fees apply to:

- Full Pension Card holders
- Sterilised animals
- Animals over ten (10) years of age
- Animals kept for breeding on registered premises
- Dogs that have been obedience trained by approved organisations
- Working dogs

Evidence must be provided to receive the reduced fee

### Restricted breeds and dangerous dogs

The Domestic Animals Act 1994 requires specific control to the keeping of "RESTRICTED BREED DOGS". State Government has made legislation to restrict the following dog breeds:

- Pit Bull Terrier or American Pit Bull Terrier;
- Fila Brasileiro;
- Dogo Argentino;
- Japanese Tosa; and
- Perro de presa Canario or Presa Canerio

Dangerous dogs are classed as:

- A dog used for guarding; and
- A dog declared dangerous by a council.

### Lost animals

Whilst the Ranger makes every effort to locate the owner of a registered animal, if found outside the owner's premises not wearing a current tag it is difficult to return your pet. Animals found by a council ranger will be taken to the Albury Wodonga Pound, Mudge St, Lavington. Contact (02) 6025 9682 or [alburypound.net](http://alburypound.net)

### Other information

- All animals registered by Wodonga Council must be microchipped;
- All cats registered by Wodonga Council are to be desexed and evidence must be provided at the time of registration;
- Cats must be confined to their owner's property between 7pm and 7am, seven days a week;
- Dogs more than six months of age must be desexed to be eligible for the reduced registration fee and evidence must be provided at the time of registration;
- For owners registering a puppy (between three and six months of age) for the first time, they will only be charged the reduced registration fee for the first year provided they desex the animal and provide evidence prior to the next registration cycle (April 10 each year). If no evidence is provided, their registration renewal fee will automatically revert to the full registration fee. Evidence means a statutory declaration or sterilisation certificate as verification.
- Dogs in public places must be under control - either on a leash or total voice control - at all times;
- You must pick-up after your animal. You may be fined if your animal's excrement remains on any road, street, nature strip, reserve, and public or council land;
- It is an offence to keep more than two dogs and/or two cats on a property without consent in writing from the council in the form of a permit; and
- It is an offence to falsify information on this application (penalties apply).
